SUMMARY

Information Technology undergraduate skilled in Java, Python, OOP, DSA, SQL, and frontend development. Experienced in building maintainable and responsive web projects, with strong problem-solving ability and hands-on practice using Git, GitHub, Linux, and modern development tools.

EDUCATION

Netaji Subhash Engineering College <i>Bachelor of Technology in Information Technology (GPA: 7.93)</i>	Kolkata, West Bengal 2022 – 2026
Loyola High School <i>Intermediate (Percentage: 84.2%)</i>	Patna, Bihar 2020 – 2021
St. Karen's High School <i>Matriculation (Percentage: 84%)</i>	Patna, Bihar 2018 – 2019

WORK EXPERIENCE

Ardent Computech Pvt. Ltd. <i>Web Development Intern</i>	Kolkata, West Bengal Mar 2026 – Apr 2026
--	---

- Completed project-based industrial training focused on real-world web development workflows.
- Worked on designing, developing, testing, and deploying web applications using modern web technologies.

TECHNICAL SKILLS

Languages: Java, Python, HTML, CSS, JavaScript
Core Concepts: Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA)
Databases: MySQL
Tools & Platforms: Git, GitHub, VS Code, Linux, IntelliJ IDEA

PROJECTS

Train Ticket Booking System <i>Java, Gradle, JSON, BCrypt</i> GitHub	Feb 2026
– Developed a CLI-based train ticket booking system with authentication, train search, seat booking, and cancellation. – Implemented JSON persistence with Jackson to manage users, trains, tickets, and booking records. – Secured passwords using BCrypt hashing and added validation for dates, passenger details, and payments. – Designed modular entity and service classes with real-time seat availability and fare calculation testing.	
Netflix Clone <i>HTML, CSS</i> GitHub	Nov 2025
– Developed a responsive Netflix-inspired web page with movie cards, navigation, hero section, and categories. – Used CSS Flexbox, positioning, spacing, typography, hover effects, and interactive buttons for a polished UI. – Optimized layout for mobile screens using media queries and flexible content sections.	

CERTIFICATIONS

Java Certification – HackerRank | [View Certificate](#)
SQL Intermediate Certification – HackerRank | [View Certificate](#)
Frontend Developer (CSS) Certification – HackerRank | [View Certificate](#)
Technology Software Development Certification – Citi / Forage | [View Certificate](#)

ACHIEVEMENTS

College Cricket Head: Led the college cricket team in inter-collegiate tournaments, demonstrating leadership, planning, and team management.
Problem Solving: Solved **100+** DSA problems on platforms like LeetCode and CodeChef, strengthening logic building and algorithmic thinking.
