SUMMARY

Aspiring Information Technology graduate with strong Java development, web design, and problem-solving skills. Passionate about building clean, maintainable applications and learning new technologies through practical projects.

EDUCATION

Netaji Subhash Engineering College <i>Bachelor of Technology in Information Technology (GPA: 7.78)</i>	Kolkata, West Bengal 2022 – 2026
Loyola High School <i>Intermediate (Percentage: 84.2%)</i>	Patna, Bihar 2020 – 2021
St. Karen's High School <i>Matriculation (Percentage: 84%)</i>	Patna, Bihar 2018 – 2019

WORK EXPERIENCE

CodSoft <i>Web Development Intern</i>	Remote May 2026
- Completed a web development internship focused on building responsive web pages using HTML, CSS, and JavaScript. - Practiced frontend layout, styling, and basic interactivity through hands-on web development tasks.	

TECHNICAL SKILLS

Languages: Java, HTML, CSS, JavaScript
Core Concepts: Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA)
Databases: MySQL
Data & Analytics: Power BI, Basic Data Visualization
Tools & Platforms: Git, GitHub, VS Code, Gradle, IntelliJ IDEA

PROJECTS

Train Ticket Booking System <i>Java, Gradle, JSON, BCrypt</i> GitHub	Nov 2025
- Developed a CLI-based train ticket booking system with user authentication, train search, seat booking, and cancellation features. - Implemented JSON-based data persistence using Jackson to store and manage user, train, and booking information. - Secured user credentials using BCrypt hashing to ensure safe password storage. - Designed modular entity and service classes for users, trains, tickets, and booking workflows following clean code principles.	
Netflix Clone <i>HTML, CSS</i>	Oct 2024
- Developed a responsive Netflix-inspired streaming web page using HTML and CSS. - Designed a clean user interface with movie cards, navigation bar, hero section, and content categories. - Improved understanding of responsive design, UI structuring, and frontend styling concepts. - Implemented hover effects, movie highlighting, and interactive buttons to enhance user experience.	

CERTIFICATIONS

Java Basic Certification – HackerRank | [View Certificate](#)
SQL Intermediate Certification – HackerRank | [View Certificate](#)
Frontend Developer (CSS) Certification – HackerRank | [View Certificate](#)
Data Visualisation: Empowering Business with Effective Insights – Tata Group / Forage | [View Certificate](#)

ACHIEVEMENTS

College Cricket Head: Led the college cricket team in inter-collegiate tournaments, demonstrating strong leadership, strategic planning, and team management skills.
Problem Solving: Solved **100+** Data Structures and Algorithms (DSA) problems on platforms like LeetCode and CodeChef, strengthening logic building and algorithmic thinking.
